April 12 election

City may vote on fluoridation

How to word the advisory question concerning the possible fluoridation of water within the city that may go on the ballot in the city election, April 12, is expected to take the spotlight at the City Council meeting next Monday, Feb. 14. The council meets at 8 p.m. at the city hall.

The fluoridation question is expected to get top billing even ahead of any action at the public hearing on the appeal of the Planning Commission approval of two huge signs proposed for the old Clark's Drugs building at Harrison and Campbell Ave.

In an unprecedented action, the appeal of the commission ruling on the two huge signs (each 8-feet by 66-feet) was filed by a councilman, Dr. Ed Rogers. But Rogers appealed in the role of a private citizen not as a councilman.

Because the signs, in the opinion of many, will radically change the architectural aspect of the downtown area, Rogers felt that the council should review the matter which had been approved by a 6-1 vote of the Planning Commission.

The sign firm representative in his presentation before the commission agreed that the signs would in effect redesign the building. (One sign will go on the Harrison side and the other on the Campbell Ave. front.)

Councilman Rogers maintains that the city has a great deal at stake in the downtown area.

It will take four-fifths vote of the councilmen to overrule the Planning Commission on the sign matter. City hall observers were doubtful that four votes can be mustered, inasmuch as Councilman Bill Smeed, an attorney, must disqualify himself because he represents one of the parties concerned.

In the fluoridation matter, the council

Planners consider learning new step---- checking dance permits

Members of the Planning Commission expressed some minor misgivings and a number of witticisms Monday night when a brand new field in local planning was opened to them. Under an ordinance amendment they will get the chance to approve the type of entertainment offered in restaurants.

How far the planners could go in this field provoked a number of interesting comments.

A proposed change in the zoning ordinance, which was approved unanimously, would allow dancing and entertainment in conjunction with a restaurant operation in a C-1-S (light commercial) zone under a use permit.

Dancing and entertainment is allowed in restaurants under present zoning in C-2-S zones but not in C-1-S.

The use permit under the ordinance change will be issued provided certain specific conditions are met.

The condition that was added to the preliminary draft specifies that "the type of entertainment shall be specified in the application and approved by the Planning Commission."

Members of the commission added the condition after animated discussion over the types of entertainment that could be offered.

Other conditions specify that the dancing and entertainment must

City of Campbell to protest

Drive-in theater seeks county approval February 16

Campbell city officials, residents and property owners are expected to join forces on Feb. 16 before the County Planning Commission to protest the issuance of a use permit for a drive-in theater just outside the city limits.

The public hearing will be held at 1:30 p.m. in the county administration building, 70 W. Hedding, San Jose, in the supervisors' chambers.

The application for a use permit for the theater to be located on the 14-acre Andrew Scorsur property has been filed by the Syufy Enterprises, the same firm which conducted the Winchester Drive-In before that motor movie was displaced by the route of San Tomas Expressway.

The proposed site is approximately one-half mile from the Bascom-Campbell site that was turned down by the Campbell Planning Commission. Hundreds of residents in the area jammed the council chambers at the hearings to protest a movie drive-in at Campbell-Bascom. The proposed site off Union Ave. that is before the County Planning Commission will also affect many of the same residents.

Although the 14-acre Scorsur parcel is in county territory, it is within the officially recognized sphere of influence of Campbell. The access roads will also dump traffic on Campbell streets.

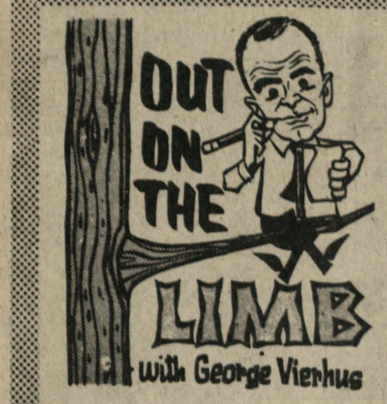
But, Bob Stephens, city manager, and Dick Hogan, planning director, who will lead the city's attack against the issuance of the use permit, stress that the traffic situation is not the most serious objection the city has against a drive-in theater in that location.

The city officials point out that the area adjacent to the proposed drive-in is planned for residential purposes. Should the theater be allowed, the future plans for development of the area must be radically changed.

The 14-acre site is now zoned M-1 (light manufacturing) under County zoning in effect. Under the county set-up, a drive-in theater is allowed in M-1 with a use permit. But, such a theater is prohibited in Campbell's similar zoning.

One of the leading opponents to the drive-in theater is Fred Sahadi, owner of a plush apartment complex on Union Ave. close to the proposed mobile movie. The huge screen (85-feet high) will adversely affact the attractiveness of the entire area, property owners in the area maintain, and will also disturb apartment dwellers.

DRIVE-IN THEATER ACCESS ROADS--Here are two views of a Campbell street that is expected to serve as one of the main access roads should a drive-in theater be approved by the County Planning Commission for a 14-acre parcel off Union Ave. and McGlincey Lane near the freeway. The view on the left is facing southeast on McGlincey at the stop sign on the north side of Casey Road showing blind corner and narrow bridge. The other photo is facing east on McGlincey showing intersection of McGlincey and Union. The hearing before the County Planning Commission on the use permit will be at 1:30 p.m. Feb. 16, in the county administration building, 70 W. Hedding San Jose.



REAL SNEAKY is the way to describe what we are doing to you this week in this column.

You see in order to attend the annual newspaper publishers convention in Palm Springs, we had to get some things out of the way before we left, including this column and an editorial.

This column, for example, is being written more than 10 days before it will appear in print.

As we have mentioned before when something like this has occurred, extreme caution must be used in such a procedure. A picture can change radically in 10 days, and we would be stuck with a literary masterpiece (?) that would be woefully out-of-date.

Then we really would be "out-on-the-limb".

IN A WAY, however, there is a distinct advantage to this system.

It gave us an opportunity to sort of clean off the cuffs and get rid of a whole raft of accumulated notes that have been gathering dust for months.

We like to do this at periodic intervals, for we find that translation of the notes becomes increasingly difficult with age. We mean the age of the notes, of course.

We have all kinds of little dillies that we have gathered from time to time as we meander around the local scenery.

F'instance:

LETTER OPENER: This seemingly innocuous item refers to a metal letter-opener that we have used to slit open the mail off and on for 10 years or more.

Apparently it was one of the assets when we took over here in 1956. We haven't the slightest idea how long it was around before that, but it must have come originally from the First National Bank.

Gene Kelley, manager of the First National branch here in Campbell, might be able to give us some idea of its age by checking the records. But apparently it was a gift from the First National, long, long before there was any thought of a branch in Campbell.

How do we know?

Engraved on the letter-opener is the following inscription: "FIRST NATIONAL BANK, San Jose, Cala. Capital $300,000. Surplus & Profits $275,-000."

We note that the 92nd annual shareholders' meeting of the First National, this county's oldest bank, was held last month.

Total resources were reported as $152,631,-800 and capital funds, excluding reserves, $11,704,004.

That bank has come a long way since that letter-opener first made its appearance at The Campbell Press.

Informed citizen test

Recently we received a suggested "test for an informed citizen" from our nationwide newspaper association.

It was suggested as a means that newspapers could use to dramatize the need for individuals in a community to be well informed.

Because the citizens of Campbell will be voting in a municipal election in April and other elections later in the year, we thought it a good idea to present some of the basic questions that were included in the test.

As it was suggested also we have added a few on our own.

ARE YOU AN INFORMED VOTER--or do you just "guess" when you vote?

It is a basic foundation of our form of government that the people who go to the polls make decisions which control their own future.

If these dicisions are to be made wisely, voters must be informed. Wise decisions are valuable to the community; unwise decisions are costly.

Here is the way to rate yourself. When you have finished this test, you may have an indication of things you ought to learn more about.

Much of the information can be gained from your local newspaper whose staff is dedicated to the premise that the public has the right to know.

But the public also has the responsibility of absorbing the information and then acting on it. The newspaper cannot act for the public.

Editor's note: There are many other questions we know we could come up with. But the above can be used as a starter.

How did you come out?

Two held for carrying guns

Campbell Police arrested Charles E. Redditt, 21, 1799 Lancaster St., San Jose, and his companion, Anthony Loren Cagle, also 21, of the same address, for carrying concealed weapons early Sunday morning.

The two men were observed at 1:15 a.m. Sunday by Campbell Police Officer John Bariteau as they walked towards Martin Service Station on Hamilton Ave.

And we quote:

"The Norseman Regrets...

"that the West Valley College Student Senate, which pays for a portion of the cost of this newspaper, has expressly forbidden publication of any vote totals in any of the A.S.B. contests."

WHOA, there, kids.. that senate of yours is treading on rather dangerous ground when it starts defining what kind of news (and vote totals, by the way, should be part of basic reporting) goes into a newspaper.

Even the U.S. Senate doesn't do that.

We suggest that a course on the bill of rights (freedom of the press) with some required reading on censorship should be part of the college curricula, especially for the members of the student senate.

SHOOTING BIRDS--That note has nothing to do with a golf match but refers to complaints we have received from time to time that birds are being shot with rifles within the city limits.

The complaints come from a number of different areas in town but most stem from the Harrison Ave. sector.

As usual those complaining don't want their names used because of the neighborhood feuds that might erupt.

Shooting birds or anything is a violation of a city ordinance. Firearms are not allowed to be discharged within the city limits according to our interpretation.

But shooting birds in the first place, in our book, shows a sadistic or sick temperament on the part of the individual wielding the gun.

And that, friends, is really "for the birds".

-0-

HAMLET--This refers to a recent 90-minute presentation over Channel 11 of Shakespeare's great tragedy.

As a Shakespeare buff, (strictly on a minor league basis) we thoroughly enjoyed the program. One of the highlights of our tour of England last fall was a visit to Stratford-on-Avon, the bard's birthplace, where we viewed a production in the Royal Shakespeare Theatre.

Excerpts of many of the passages in Hamlet, you may recall, have become part of modern-day vocabulary and are used by thousands who may have never read anything by Shakespeare.

That's why we particularly enjoyed a comment by someone who had seen the TV program of Hamlet.

"I didn't realize," this woman said, "that Shakespeare used so many modern-day expressions."

That was sort of putting the cart before the horse.

be associated with a restaurant, cafe or bar; must be compatible with surrounding development and must be issued only to the person operating the business and not transferable. The Police Chief must also make a report on the applicant and the permit can be suspended or revoked by the City Council after a public hearing.

Under the present ordinance, the only way a restaurant could have dancing and entertainment in a C-1-S zone would be to get the zone changed. This in effect would mean 'spot zoning.'

Dick Hogan, planning director, had suggested the change to a use permit basis when at a recent Planning Commission meeting, Ira Kirkorian, developer of the Kirkwood Plaza, applied for a zone change to allow dancing and entertainment in "The Prelude," a restaurant in the plaza.

CAR WASH

On Monday night the Planning Commission also approved the use permit application of David R. Pimentel, represented by Charles Pillers, of the Stevens Creek Realty Co., for a coin-operated car wash at 981 E. Hamilton just east of the Standard Oil Service Station.

Pillers told the commission that the business was a brand new concept in car washing, using high pressure jets of water and was virually noiseless. He said it was the first unit of its type to be introduced into this area and claimed it would be an asset to the neighborhood.

OTHER ACTIONS

In other actions, the commission:

--APPROVED the application of Ray Kanawyer for two 4-unit apartments at 199 and 217 Hollis Ave.

--APPROVED the application (Commissioner Jim Tomlinson dissenting) of R. L. Zipse for a pole sign at 75 Cristich Lane.

--APPROVED the application of Fred Chez for Hamilton Ventire service station on southeast corner of Marathon Drive and Hamilton.

--APPROVED the application of Sal Campisi for "Jack-in-the-Box" drive-through restaurant at 1727 Bascom.

--APPROVED the application of Montecito Financial Corporation for a sign and remodeling of the former "Wolf's Den" at 1545 W. Campbell Ave.

--SET Feb. 21 as public hearing for ordinance amendment pertaining to home occupations.

merely wants to ascertain the feeling of the people within the city limits on this highly emotional and controversial question.

Council members have emphasized collectively and individually that the city is taking no stand on the question. What is needed, they point out, is to get the citizens' reaction.

This is necessary, they point out, because during the recent Public Utilities Commission hearing on the issue of fluoridating San Jose water, city officials were asked whether steps had been taken to find out the feeling of the citizens of Campbell.

The question that will be presented on the ballot in the city election, if the City Council approves it Monday, will be an advisory proposition and will not be mandatory.

The voters will be asked to answer yes or no "shall the domestic water supplies serving the City of Campbell be fluoridated in a manner recommended and approved by the State Department of Health?"

But because of the emotional, medical and controversial by play involved, it is expected that even the wording of the "advisory" proposition will be subjected to attack.

Other matters on Monday's agenda include discussion on tentative plans for the improvement of Budd Ave., and the awarding of the storm drain contract for Budd Ave.

A report is also expected to be made on the problem of equalizing the cost of installation of fire hydrants throughout the city.

Little League sign-up

Sign up meetings for Quito Little League will be held at the Quito School Cafeteria on Feb. 11 at 7:30 p.m. Boys who are 8 years of age before July 31, and those who will be 15 by July 31 are invited to sign up. Birth certificates are required.

One parent must attend the meeting. The boy is not required to attend. The fee is $5 for one boy, $8 for two and $11 for three or more.

Victim apprehends suspects

Two high school youths are in Santa Clara County Juvenile Hall charged with burglary after being surprised in the act of burglarizing a home at 1462 Hacienda Ave.

James Haskell, the tenant, and his wife, came home from a trip to Sonora, at approximately midnight on Feb. 5, and found a boy in the kitchen.

The youth ran through a rear door, tearing through the screen, and across the street to a field, where Haskell apprehended him. The Campbell Police were called and the other suspect came out from under a bed. The boys had keys to fit numerous locks, a hunting knife and an ice pick in their possession, Police reported.

Thieves enter Medical Center

The offices of a number of physicians and dentists located in the Campbell Medical Center at 621 E. Campbell Ave. were broken into early Monday morning, and the two suspects were apprehended by the cooperative effort of the San Jose and Campbell Police Departments.

Clyde Cooley, 21, of 3137 Cadillac Drive, San Jose, and his accomplice, Robert Dezern, of 3145 Cadillac Drive, were stopped by Campbell Police at Harrison and Hamilton Ave., as they attempted to flee.

According to the report of the Campbell Police Department, cash amounting to $175, stamps, drugs, and other items not yet accounted for, were taken from the offices.

Police said the two men entered through rear windows of the building. Once inside, they removed ceiling panels and went from office to office through attics and scuttle holes. The offices of Doctors Richard Nelson, Andrew Lucine, John Christerson, William Kuhlmann, J. P. O'Halloran, Patrick Riley, Saylo Minemitsu, Paul Stewart, Richard Jacobs, Robert Hersch, Wayne Hopp and Lloyd Grant were ransacked

Letters to the Editor

PERCOLATION PONDS

Dear Editor:

Residents of Kenneth Ave. have become alarmed about the water ponds going in on the city property. This property fronting on Sunnyoaks and ending on Waldo backs to the property on Kenneth and Emory.

We are anxious about the health and safety problems. What precautions are going to be taken about mosquitos? Are they going to fence this attractive nuisance?

The county plumbing code clearly states on page 151 of the Professional Plumbing Illustrated, written by Supt. of Plumbing Inspection for the county that;

"Locate all drains 100 ft. from wells or streams."

This is in reference to drains from septic tanks. All residents along Kenneth have septic tanks. The water ponds are less than 20 ft. from the lines on the properties.

How do they propose to avoid undermining the workings of the septic tanks? We wonder how they legally can do this? When we got our permit for our garage, we were not permitted to put the garage as close as they are coming.

If they do not fence, they will have a few children drowned in there.

We do not wish to have any trouble, but are quite worried about these matters.

Alarmed citizen,
Louise Jo Rosbury

HONORED BY SUPERVISORS--Campbell Fire Department, 1965 grand award winner in the United States in the annual fire prevention contest conducted by the National Fire Protective Association, was given an additional honor last week. The supervisors by resolution commended the local department for the high honor achieved. Supervisor Ralph Mehrkens presented the resolution to the fire department officials. San Jose PG&E wins award

Pacific Gas and Electric Company's San Jose division is the winner for 1965 of an award given annually by the company for creative sales achievement.

It was the fourth time the division has been so honored, according to Walter D. Howell, PG&E's general sales manager. The division serves customers in Santa Clara and Santa Cruz counties and parts of San Mateo, San Benito and Monterey counties.

Howell said effective advertising in the Campbell Press and the aid of the Press's advertising staff contributed strongly to the successful sales effort of the company's personnel.

Howell presented the award to L. J. Brundige, former San Jose division manager, now retired, and his successor, the former division sales manager, C. E. Ginochio.

Girls track team hosts championships on Feb. 19

Westmont High School track field has girls "all over the place" on Saturday mornings running and exercising. They are members of a dedicated team called the Santa Clara Valley Girls Track Team. Their head coach is Preston Doss, his assistant is Dody Anderson.

The team was started after the Russian-American Meet at Stanford in 1962 because of the poor showing of our women athletes. It has only been in the last year that the team has started to come alive.

Where does a girl get the drive to compete in the area of track and field? Everyone knows that in the area of athletics, everything is pretty well set up for boys. There is pressure on a boy from the age of three on; if not by his father, an uncle or grandfather, by someone else close to the family.

Here a girl is given the opportunity to compete under very little pressure and she enjoys it. As she continues to work at it, she finds the dedication that the good athlete has. In track and field there are records that are yet to be set and the field is wide open.

CAMPBELL GIRLS

There are several girls from the Campbell area on the team: Dolores Lawson, distance runner and student at West Valley Jr. College; Debbie LeSpade, 440 sprinter and student at Westmont High School; Sue Perry, shot putter and student at Rolling Hills Jr. High; Linda Perry, shot putter and student at Westmont High; Jane Wong, high jumper and student at Campbell High School and Marlayna Harrington, sprinter and student at Capri School. There are 12 other girls track teams in and around the bay area and there is very fierce competition among them.

The Santa Clara Valley Girls Track team will host the Pacific Association A. A. U. Indoor Girls and Womens Championships at Foothill Jr. College on Feb. 19. For those who have never seen a womens track team, it would be well worth your while as a family outing. It starts at 10:30 sharp and some existing records will become history. There will be at least four Olympians and a large number of National Champions as well on the field.

Anyone wishing further information in regards to the team may contact Gerald Harrington at 378-4105 or Hal Clough, 378-7104.

20,000 enroll at SJSC for new semester

Approximately 20,000 students enrolled for the Spring Semester at San Jose State College. Opening activities for the new semester were held in Morris Dailey Auditorium. This marked the first use of the auditorium since 1963.

Bids will soon be called for the development and landscaping, of Tower Hall Square, one of the bits of beauty left at San Jose State College since its enlargement. The landscape design by Sasaki Walker Associates includes a brick arcade reminiscent of the former wings of Tower Hall and fountain in a tree-studded expanse of lawn. Construction is slated for late spring. The landscaping is the realization of one of the goals for the campus by President Robert E. Clark.

BLACKFORD BEAT

BY DIANE GIPSON CAROL COOK

The Braves, again on top this year for basketball, scored two more victories last week. Tuesday, the varsity overcame the Los Gatos Longhorns with a score of 61-50.

Friday night the Braves faced the Westmont Warriors on our court. The final score read 56 - 34, again in favor of the Braves.

After the game, a dance for Blackford students only was held in the Blackford cafetorium.

The all-school play to be presented in March will be the delightful comedy "Erasmus - with Freckles" by Anne Coulten Martens. The following students are cast in these parts:

As Erasmus - Don Wikey, Alex Mednick; Bob Leaf - Dick Millet, John Whitten; Pandy - Martha Griffin, Yvonne Hewitt; Cissy - Donna Nelson, Sherry Yarchever; Mac - Jim Saustrom; Abigail - Pat Gonthier; Vina - Lynda Lyons, Bonnie Althouse.

Miss Ryan - Jolein de la Cruz; Miss Coria - Sandy Dorsett; Al Hodkins - Tom Olsen; Hadley - Bruce Hoffman; Miss Haskell - Sue Petersen; Miss Briner - Selene Seltzer; Miss Ott - Pat Bush; Miss Harris - Sue Walford; Strangers - Vic Whiteside, Steve Brown; O'Conner - Charles Waltzers; Horace - Mike Kellic; Anderson - Mike Bryant; Gadsby - Wayne Uiertel; first mate - Paul Anderson; Olaf - Bo Marthinson.

Don's Dateline

by Carole Clark

On Jan. 28 "Amaitrix Fidelis" and "Mayola Kanotches" sponsored the first after game dance. The dance followed a victory over Campbell 67-38. On Feb. 18 the Lettermans Club will hold an after game dance; music will be provided by a well known band.

On Feb. 4, the annual Foreign Language Plays were presented to the attending student body. The French club presented "La Femme de T.A.N.T.E." (the Woman from Aunt). The Latin club presented a satire on the Free Speech Movement at Cal. A combination of Little Red Riding Hood, Hansel and Gretel and GoldHocks was enacted by the Spanish club. The German club presented "Der Zerstrute Professor".

Over $375 was collected at the Spaghetti Dinner on Jan. 19, and 625 people attended the event. Entertainment was provided by Kathy Casey and Travis Watkins; Mr. O'Connor and Mr. Patrick Lowery; Jeff Walter, Kent Vincent, and Judy Finch as vocalist; a combo of Willow Glen students, Ray Rodriguez and Wayne Molzahn; and the comedy team of Paul Chapin and John Nolen.

The new semester began on Jan. 31.

A new feature in the "Excelsior" is a Happy Birthday column. Turn birthdates for the month of March into Gordo's Gab.

Del Mar's Varsity basketball team ended the first half of league action on a winning note by beating Saratoga 83-46, and by defeating Campbell 67-38.

Del Mar's Varsity Wrestlers beat Campbell by a score of 36-9.

On Jan. 22, Del Mar participated in the Homestead Invitational held at Homestead High School. They took seventh place as a team, and brought home five medals. Winners were: Chuck Spinelli, fourth; Steve Sellitti, first; Gary Tracey, fourth; Ray Holland, fourth; and Bob Callahan, fourth.

WARRIOR WAYS

BY LYNDA WYCKOFF

ELECTIONS FOR CLASS officers were held today, Feb. 4, and the competition in most classes was tough.

Petitions for Student Manager are still being accepted in Mr. William's office by Kieth McMann.

Art Honorary elected its officers this past week. They are: president, Chuck Eades; vice-president, Kathy West; and treasurer, Tim Skeen.

WARRIOR OF THE WEEK
BARBARA GILFORD

Barbara was chosen this week because she is one of Westmont's two foreign exchange students to another country for next year.

Barb is a junior at Westmont this year and a straight A student. She is a member of Girls Sports, Social Affairs, A.F.S., Drama Commission, C.S.F., Dean's Advisory Council, and German Club.

Barbara's major is English. She is taking both German and Spanish.

Born in Prescott, Arizona, Barbara has lived in California nearly all her life. She has an older sister and a younger brother.

Barbara wants to go to either Germany or Switzerland.

To become a foreign exchange student Barb had to submit an application and be interviewed. Thirty students were chosen to compete for semi-finals. Then they were interviewed on their thoughts about world and national conflicts etc. Two students were picked from each school, and then it was again cut down to one. Westmont was fortunate to have two chosen.

About Westmont, Barb says, "Westmont is really a great school and I think that it has the best potential in the district."

A Campbell PRESS WANT AD Doesn't Cost It PAYS!

Our Town

By Grace Hebard

PASSING THOUGHTS . . . Since SAN JOSE has turned down the bonds for a SPORTS ARENA, wouldn't it be great if Campbell built one here? Think of the revenue and fame it would bring our city. It would easily pay for itself. All that it takes to get it on the ballot would be to present the specifications and costs to the City Council along with a petition for a referendum signed by a jillion local registered voters. LOOK OUT SAN JOSE, we may steal your thunder!

BACK TO THE SOCIAL NOTES: MR. AND MRS. W. L. BURKS of Campbell Moving Company are in Las Vegas attending the annual King Van Lines Convention at the Riviera Hotel. . .

MRS. SAMUEL M. SMITH of Saratoga is on a "Round-the-World Voyage" aboard the SS President Roosevelt. She will stop at 26 ports in as many countries during the three month cruise. . .

MR. AND MRS. LEON CHILCUTT of Ventura are new Campbell residents, having purchased the home of JOSEPH ANELLO at 999 W. Parr Ave. Chilcutt is a painting contractor. Their son, Kenneth, is attending West Valley College. . .

FLOYD E. MUNSON, 218 N. Hardy Ave., is in Campbell Community Hospital, recuperating from a bad fall from the roof of his home. . .

NOTED in the audience at the Montgomery Theater enjoying the San Jose Light Opera production of "Stop the World" were MR. AND MRS. DICK HARDY and MR. AND MRS. HELMETH STOBBE. . .

BOY SCOUTS of Troop 309 have a window display at Mac Lean's Mens and Boys shop in Kirkwood Plaza in conjunction with Boy Scout Week. . . It's good to see our Chief of Police JOHN MORGAN in such good shape again, after a little trouble with a torn ligament in his leg following a basketball game in his "keep fit" campaign. . .

ST. LUCY'S TEEN CLUB invites the public to a pancake breakfast next Sunday, Feb. 13, at the Knights of Columbus Hall on West Parr Ave. between 8 and 11 a.m. KEN STEIN is the Chief Cook, and the donation is $1. . .

Closes Saturday

Final performances for the current San Jose Light Opera production, "Stop the World, I Want to Get Off" are scheduled for Friday and Saturday evenings (Feb. 11 and 12) at the Montgomery Theater in San Jose.

Obituaries

Joseph O. Souto

A requiem mass was celebrated at St. Lucy's Catholic Church on Saturday for Joseph O. Souto, 85, of 236 N. Central Ave., Campbell, who succumbed following a long illness. He was the husband of Mrs. Josephine Souto, brother of Richard Souto and Mrs. Mary Duante, both of San Lorenzo, Calif.

Emma Bulmore

Final rites were held in Monte Sereno for Mrs. Emma Ellen Bulmore, 81, a former resident of the Campbell-Los Gatos area. Mrs. Bulmore died in a San Jose hospital last Monday. Bishop Kaye Holland conducted funeral services at The Church of Jesus Christ of Latter Day Saints in Monte Sereno.

Mrs. Bulmore was born in San Jose and had lived in this area since 1915. She was a 50 year member of the Ada Rebekah Lodge of Campbell. She was the widow of Albert F. (Al) Bulmore, who operated a butcher shop in Campbell for many years, who died 15 years ago.

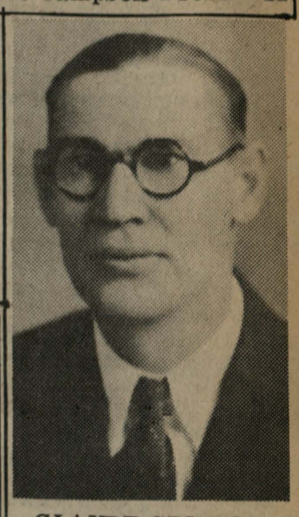
She is survived by her daughter, Mrs. Eva Hanson of Los Gatos and four grandsons and two granddaughters, including Mrs. Dian Frydenger of Campbell.

Myrtle Lorenz

Private funeral services were conducted recently for Mrs. Myrtle A. Lorenz, 63, wife of a retired television shop owner, who resided at 357 N. Central Ave.

Mrs. Lorenz was a native of Minnesota and had lived in the county for 24 years. She succumbed in a San Jose convalescent hospital after a long illness.

Survivors are her husband, John, a son, Roy Lorenz of San Jose, and a daughter, Mrs. Geraldine Costello, also of San Jose.



CLAUDE GRIZZLE

Long time resident succumbs

Funeral services were held from Campbell Memorial Chapel recently for Claude Grizzle, a resident of Campbell since 1912. Grizzle succumbed of a heart ailment on Jan. 20. A self-employed plumber, Grizzle was a member of the Campbell Volunteer Fire Department and the I.O.O.F. Lodge.

In addition to his wife, Jeannette, who resides at the family home at 99 E. Alice Ave., Grizzle is survived by his son, Dr. Claude O. Grizzle of Cheyenne, Wyoming, and three grandsons. A brother, Oriel Grizzle, resides in Los Gatos.

A sister, Miss Winnie Grizzle, passed away in July, 1965. She had also been active in local clubs and was employed by the Pacific Telephone Company for many years.

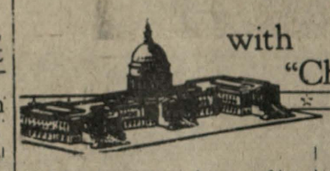
ON CAPITOL HILL



with "Charlie" Gubser

Washington is a city with an air of confidence--unless it's snowing. Its occupants, some of whom claim an ability of solving the world's problems, meekly submitted to paralysis during the recent blizzard which enveloped the city.

Even architects of the "Great Society" had their troubles, some of which were reported by WASHINGTON EVENING STAR Society writer, Isabelle Shelton, in the Feb. 1 issue.

"Mrs. Robert Kennedy was cleaning out her own stables yesterday, because the groom couldn't make it through the snow.

"A stable full of animals was only one of the problems faced by the New York Senator's wife, ensconced behind five and six-foot snowbanks in her McLean, Va., home, with nine children out of school, and almost no servants on the job.

"To make matters worse, much of the main floor furniture was out in the garage, with snow drifting in on it, and few available hands to move it back.

"The intrepid Senator had somehow made it out and down to his office, stopping along the way at the airport to drop off some house-guests returning home.

"The furniture had been moved out to make room for guests at the Kennedy's Saturday night party, which went off on schedule despite Saturday's heavy snow, knee-high by the time the guests were leaving the party.

"The guest of honor--Spain's famous bullfighter, El Cordobes--never made it to the Kennedys...

"Presidential Assistant Douglas Cater had to legit to a rendezvous point, in this case with a White House car... He spent the day at his desk wearing snowpants, a popular uniform for many White House staffers yesterday. Almost everyone arrived there so garbed. Some of the women brought other clothes in a suitcase and changed.

"One staffer...recognized that if she ever got home...she would never make it back to the White House yesterday morning. So she spent the night on a White House office sofa..."

Another STAR article showed that the difficulties caused by the 18 inch snow pack didn't seem to affect the employees of foreign Embassies of the snow countries who are used to such weather.

The receptionist at the Russian Embassy did not pass up a chance to make propaganda and said, "We're accustomed to this kind of weather at home, we have plenty of snow-clearing machines".

The Austrian Embassy said everybody got to work without skis. The Finnish Embassy was completely staffed and Mrs. Anneli Hudson, Embassy treasurer said, "It's pay day, and I had to come in." The Swiss Embassy reported "no trouble". And the first person to check in for work in Alaskan Senator Gruening's office was Brenda Itta, an Eskimo.

Residents of the hot countries presented a contrast. The Embassy of Jamaica didn't answer the telephone, nor did Saudi Arabia.
